PRES. MACRON WILL INAUGURATE PARIS AIR SHOW ON 19 JUNE 23, 54th Ed. AT BOURGET

INDUSTRIAL SOVEREIGNTY & DECARBONIZATION

Paris, Washington DC, 14.06.2023, 21:38 Time

USPA NEWS - The largest International Exhibition of Aeronautics and Space (SIAE) (Salon du Bourget, Paris Air Show), which will take place at the Parc des Expositions de Paris-Le Bourget from June 19 to 25, 2023 will once again bring together all the players in the industry, leaders in aeronautics, after four years of absence. President Emmanuel Macron, will inaugurate this event, Monday, June 19, under the theme of industrial sovereignty & decarbonation during this 54th edition, in 2023.

At Le Bourget, President Macron, intends to unveil the progress made by the sector in terms of decarbonization (Airplanes and so on...) and the assets of France to achieve the goals fixed by the head of state. The event will be an opportunity to unveil innovative projects to revolutionize air mobility. "The race is on", notes the the French Presidency , which wants to explain "where France is in this competition" and "how we achieve decarbonization..

PRES. MACRON WILL INAUGURATE THE LARGEST AIR SHOW IN THE WORLD PARIS AIR SHOW ON JUNE 19, AT LE BOURGET, OVER INDUSTRIAL SOVEREIGNTY & DECARBONIZATION, DURING THIS 54 EDITION

The largest International Exhibition of Aeronautics and Space (SIAE) (Salon du Bourget, Paris Air Show), which will take place at the Parc des Expositions de Paris-Le Bourget from June 19 to 25, 2023 will once again bring together all the players in the industry, leaders in aeronautics, after four years of absence. President Emmanuel Macron, will inaugurate this event, Monday, June 19, under the theme of industrial sovereignty & decarbonation during this 54th edition, in 2023.

At Le Bourget, President Macron, intends to unveil the progress made by the sector in terms of decarbonization (Airplanes and so on...) and the assets of France to achieve the goals fixed by the head of state. The event will be an opportunity to unveil innovative projects to revolutionize air mobility. "The race is on", notes the the French Presidency , which wants to explain "where France is in this competition" and "how we achieve decarbonization..

Around thirty ministers, including around ten from the government and around twenty foreigners. As for foreign expansions, they are announced by at least three hundred, coming from a hundred countries, for negotiations, and orders for flying machines. This unique event in the world, provides for a high number of visitors, both professional and public, in 6 days, or very one hundred and twenty miss people, according to estimates.
